Letter of Invitation

Dear President,

The Asian Development College for Community Economy and Technology (adiCET), Chiang Mai Rajabhat University, Thailand, in collaboration with the Solar Research Institute (SRI), College of Engineering, Universiti Teknologi MARA, Malaysia, and Vellore Institute of Technology, India, will be hosting the **“7th ASEAN Smart Grid Congress” on the topic of Smart Microgrid for ASEAN on 12 – 13 December 2024 in Chiang Mai, Thailand.** The congress aims to facilitate the exchange of ideas and experiences in researching and developing micro smart grid technologies at both national and ASEAN levels, and to strengthen international collaborative networks in academia, research, and the development of smart grid technologies and renewable energy for the electrical grid systems of the ASEAN region. By offering a hybrid format, ASGC-7 ensures that participants from around the world can join the discussions, share their insights, and contribute to advancing the field of smart grid technologies, regardless of travel constraints.

Your organization is cordially invited to submit articles and participate in this congress. The selected full papers based on scope and peer review results will get published in Scopus indexed journals. All submissions must adhere to the guidelines and format specified at <http://asgc7.cmru.ac.th>.

Additionally, recognizing the significance and benefits that our conference may offer to your organization, we are pleased to offer sponsorship opportunities with a range of benefits, as outlined in Attachment 1. We kindly request the completion of the sponsorship response form provided in Attachment 2.

For further inquiries or to submit the completed response form, please contact Thananchai Sataklang, Ph.D., at asean-sgc7@cmru.ac.th. We look forward to your participation and support.

Yours Sincerely,

(Asst. Prof. Dr. Hathaithip Sintuya)

Dean of Asian Development College for Community Economy and Technology
